

Disabled Access Policy Disability Discrimination Act 2002

The Young Dancers Academy is committed to ensuring that the resources and talents of all its staff and students are utilized to the full and that no job applicant, employee or student receives less favourable treatment in any aspect of employment or of education on the grounds of gender, ethnic origin, nationality, colour, religious belief, marital status, sexual orientation, socio economic grouping, disability, learning difficulty or health problem which cannot be shown to be relevant to performance in the job or position within the school. This policy is supported by the school's Equality and Diversity policy.

Wheelchair users are able to access the ground floor at the Young Dancers Academy via the ramp and through the double doors at the front of the building. The school has a disabled toilet in the changing area. The ground floor dance studio and reception area are fitted with a ramp for easy access. Staff meetings, parent consultations can be held in the reception area or studio and a classroom can also be set up in this space.

At present the 1st floor is not accessible for wheelchair users. On entry to the Young Dancers Academy all students will be assessed to identify anyone who would benefit from additional support with their studies. If during the training it is noticed that a student is having difficulties a meeting will be set up between the students, parents, parents and staff to assess the best course of action. Meetings will then continue to take place once every term to make sure that all prearranged targets are set.
